Thank you Greg,

But please also remove us from any listings as to involvement with the website ie planning committee as the reunion event is complete and I don't know what I will be doing in 10 years.

Joel,

Thank you for the kind words.

I have deleted your user account as per your request.

I have also assigned the Is Active Subscription field on the member record for Joel Applebaum to false on the domain, wwhs1978.org, so you will no longer receive communication from the mail server, mail.opensystemsgroup.ca.

Cheers,
Greg

Greg,

I appreciate the time and effort you've put into the website.
That said I am not comfortable being part of it.
Please remove my name and any of my contact information.

thanks,
Joel

Currently, 66 users have successfully registered on the site, wwhs1978.org, of which more than thirty members had e-mail addresses that were not on Pilar's list. James Freeman was the last member to successfully register.

I spoke to Pilar Cunningham. She no longer wishes to chase people for their contact information as she did ten years ago. If anyone would like to maintain their administrator privileges on the site and continue Pilar's work, let me know. Otherwise if I don't hear from you I will remove the administrative privileges for your account prior to the renewal date of the domain, wwhs1978.org on November 15, 2018.

Ben, Jayne,

Thank you for your time, helping people update their contact information and answering any questions the membership had on the domain, wwhs1978.org.
